

Autism at Kingwood Charity Aims

Autism at Kingwood is a local Thames Valley charity providing specialist support to autistic people. Autism at Kingwood enables people to live in their own homes and enjoy full and active lives in the community. This leaflet explains what your donations will be used for in the coming year. The primary aim of our fundraising is to provide enjoyable activities that directly benefit the people we support and autistic people from the wider community; to support them to live the kind of life they want to live.

Without your help we would not be able to provide activities or the equipment to facilitate activities. We welcome all donations, no matter how small. Every contribution helps.
