How long have you worked in Social Care?

I have worked in Social Care supporting adults with a learning disability ever since I left school, which means for over thirty years. I have worked and lived in Oxfordshire since moving here in 1988.

What is your job at Kingwood?

I am really pleased and excited to have been offered the opportunity to work with Kingwood as the Regional Director for the Oxfordshire services.

What type of person are you?

I hope people would describe me as a likeable person who tries to do the right thing.

I enjoy meeting new people; I am a good listener and will always make time for a chat.

I always try to be positive and cheerful.

WHEN I'M NOT WORKING I LIKE TO:

To spend time with my family.

Swimming and having a sauna at the leisure facilities at a local hotel.

Watching most sports especially football and horse racing.
